

St. George Protection Plans

Flexible insurance solutions giving you more cover at no extra cost

We are very excited about the recent changes we have made to St.George Protection Plans. They are all about giving you greater flexibility, while ensuring you have comprehensive insurance coverage all in one package.

We have reviewed our definitions and introduced some new benefits so that your policy gives you the best life insurance cover available.

These changes help St.George Protection Plans to stay highly competitive and relevant to your needs. You can be confident you and your loved ones are protected with a comprehensive and competitively priced insurance solution.

More for you

When you took out your St.George Protection Plans policy, it included a commitment from us that we would automatically upgrade your policy whenever we improved and added benefits. This booklet will tell you about the recent enhancements we have made. It may seem like a lot of print and jargon, but in the event that you may need to claim, it could make a significant difference to know exactly what you are covered for.

More importantly, if you ever need to claim and it is found for some reason that the definition in your original St.George Protection Plans policy is more appropriate for the sickness or injury for which you are claiming, we will continue to honour that definition.

We have also included some additional features and benefits that you may be interested in attaching to your policy. If you are interested in taking up any of these options noted below, or if you have any questions about the enhancements, please speak to your financial planner or call us on 1300 366 416.

This guide provides a summary of the recent enhancements introduced. If you would like an updated version of the complete terms and conditions of all of the changes please:

- download a copy of the St.George Protection Plans Product Disclosure Document and Policy Document (PDS) from stgeorge.com.au, or
- call us on 1300 366 416 Monday to Friday 8.00am to 6.30pm (Sydney time), and ask for a copy to be mailed to you.

Reading this Guide

Check your Policy Schedule (or Renewal Summary) to find out which of these policies applies to you, and then match your policies to the icons below. These policy acronyms are used throughout the guide so you can easily find the changes relevant to you.
